MEMORANDUM FOR [REDACTED] Chairman, DDS&T  
Historical Board

SUBJECT : History Program, Progress Report as of  
3 July 1968

1. This memo is in response to your telephone request for a status report on the OCS history project.

2. Although [REDACTED] and I had hoped to complete the OCS history by the end of June, we have been unable to do so. In spite of good intentions, this kind of task gets side tracked by daily operational requirements.

3. At this writing, I estimate that we are 75% complete for the entire project. In consideration of monographs which need to be completed, the portion of the basic documentation which still remains, and summer vacation plans, I strongly believe the OCS history can be completed by the end of August.
